

Freedom of Information Request

Reference Number: [EPUT.FOI.24.3718](#)

Date Received: 09/09/2024

Information Requested:

I would like to request the following information.

For each year from 2021-2023 inclusive [calendar or financial depending on the data is collected], please provide the number of:

1. Maternal deaths, as defined as the death of a woman while pregnant or within 42 days of termination of pregnancy
2. The number of babies being born with confirmed or suspected Hypoxic ischemic encephalopathy.
3. The number of stillbirths, intrapartum death, and early neonatal deaths.

Please break down the data by year and by category.

If possible, please break down maternal death statistics by age and ethnicity of mother.

If possible, please provide the listed reason / explanation for each maternal death, neonatal death, intrapartum death, and stillbirth.

We regret to inform you that the Trust does not hold the information requested, As EPUT does not provide this service as they are delivered by acute hospital Trusts.

Publication Scheme:

As part of the Freedom of Information Act all public organisations are required to proactively publish certain classes of information on a Publication Scheme. A publication scheme is a guide to the information that is held by the organisation.

EPUT's Publication Scheme is located on its Website at the following link
